

# Looking for a summer volunteer opportunity?

**Happy Snout Ranch Sanctuary** is a 501(c)3 non-profit, volunteer-run rescue farm that provides rescued and special needs farm animals with a second chance for a fulfilling life. The Sanctuary currently houses more than 150 animals including horses, cows, pigs, goats, sheep, alpacas, rabbits, birds, and more.

We are actively recruiting volunteers to assist with daily animal care, farm chores and cleaning, and summer projects—and of course, to provide the animals with lots of attention and love! There are opportunities to continue volunteering after summer for those who are interested.
